REACHUP, Inc. Affirming Fatherhood Conference

The Affirming Fatherhood Conference features local, state and national organizations, researchers, service providers and dads to educate and inspire participants to support men's journey to positive presence in the lives of children, their families and communities. This means focusing on issues such as fatherhood, men's health, personal responsibility, informing public policy and further developing the field of providers who work with fathers.

Funded by multiple partners including Children's Board of Hillsborough County and Hillsborough County Board of County Commissioners

REACHUP, Inc. GROWTH 24:7 DAD®

Developed by fathering and parenting experts, 24:7 Dad® focuses on the characteristics that men need to be involved fathers 24 hours a day, 7 days a week. This community-based program helps men develop the attitudes, knowledge, and skills they need to get and stay involved with their children.

24:7 Dad® focuses on key fathering characteristics like:

Communication, Discipline, Work/family balance. The program also helps men evaluate their own parenting skills, and fathering role models.

24:7 Dad® offers individual and group training, interactive classes, group presentations, weekend retreats, one on one case coaching/management and stress sessions.

REACHUP, Inc. Male Mentoring Legacy Group

Through mentoring, three generations of men come together to see each other grow through relationship development. The Legacy group meets once a month, alternating between a skills training and a group activity that may include children and family.

The Legacy group offers:

Intergenerational Mentoring & Bonding, Networking & Resources, Goal Setting and Career Exploration.

Call for a schedule of activities, 813 -712- 6300

Funded by The Health Resources Services Administration (HRSA) and Hillsborough County Board of County Commissioners

On My Shoulders

Equips men with the skills for healthy relationships, especially with their children. The On My Shoulders curriculum does not focus on the deficits of men but rather understanding their barriers and providing possible solutions.

Some themes include:

The importance of fathers in the lives of their children, The value of understanding and accepting oneself and the power of new skills that promote healthy relationships
